PETITION FOR RULE MAKING

community that is certainly deserving of a an FM service.
The proposed channel 231C2 will provide additional
diversity and an outlet for local self-expression to
Waynoka residents and therefore is in the public interest.

Attached hereto is a channel study confirming that
Channel 231C2 can be allocated to Waynoka, Oklahoma,
consistent with the FCC's FM separation rules. See
revision of FM Assignment Policies and Procedures, 90 FCC
2d 88 (1992).

Should this petition be granted and Channel 231C2 be
allotted to Waynoka, Oklahoma, Petitioner will apply for
Channel 231C2 at Waynoka and after it is authorized, will
promptly construct the new facility.
